The Hastings Tennis and Squash Club is over 100 years old!

The Club offers full use of its amenities for both sporting codes to all members, for the same very low membership rate – an offer you really can't refuse if you are into racquet sports

Tennis Interclub is currently enjoyed by teams in the Men's Premier and Men's Reserve Divisions, Ladies Reserve, and Mixed Grades, and junior boys and girls teams. We would love to include new members in any of these teams, and will add teams as interest warrants.

Junior tennis coaching is a Saturday morning icon during terms 4 and 1 in the summer.

Squash membership is very strong, At least five open squash tournaments during the season. A very competitive club championship, in all squash grades, as well as regular business house competitions, member leagues, and social evenings, are also keenly subscribed.
